From:- Margaret Cook
SI International Assistant Programme Director

Dear President and Members of SI Swiss Union with SI Bangalore,
I write, on behalf of SI, to congratulate you all on being winners of an SI Best Practice Award for 2010. You are the SIE overall winner for Objective 5 'Improve access to clean water, sanitation and essential food resources' for your project 'Lambani Tribal Village Toilets Project'. SI Bangalore has been recognised alongside you.

Certificates were awarded at the recent SI Interim Board Meeting and you will receive them in time.

We celebrated the excellent project work done around the world by Soroptimists and hope that you will be able to continue to act to make a difference for women and girls.

Many congratulations to you all,
In friendship,

Margaret Cook
SI IAPD
